March General Membership Meeting.

BBQ- will be July 9th which counts as our July Meeting. We are looking into locations and will ask some members about their houses as a location. There was also an idea to sell extra tickets so people can bring friends and is a way to earn some extra money.

Show- we are getting ribbons for the open show since the tradition of ribbons is still liked among open showers. We will still be doing the circuit champion awards which are coffee cups with our show on it. We are Looking for ideas for gift bags for the judges instead of wine. We are worried about the pressure on planes with things like bottles of liquids. Some ideas may include local baskets because Lynden is close to the water and with many dairy farms, things like smoked salmon and cheese may be good.

Ryan still wants Staci and Tabi to go around to local business to round up sponsorships, he will email a list of businesses we should go to, and if someone knows of a business we should hit up for a sponsorship please email Ryan or Tabi.

When we get the hi-points for the show we will be posting pictures online and on the webpage for promotion. For youth hi points the budget is \$150 for the APHA divisions and \$50 for the open divisions. There was a motion to use the youth account for the youth hi points which was then passed.

Lola has two goals for the show- 1. To make more money with more people, and 2. That some people will have paints that are showing open and will want to try an APHA class.

Promotion- Rachelle posted in some groups and will post more about activities, shows and youth activities to promote the club. We are also looking into new flyer ideas to send out to farms and trainers. Also if anyone knows of other websites or magazines we can advertise in for free please let us know. We are not opposed to spending a little to get our name out there.

New Business- the judging clinics for Skagit county are coming up fast and we still need a couple more riders and horses. We want to put on a quality judging clinic with top level riders for the youth in Skagit County to be able to judge. If you would like to participate please talk to Tabitha Whitford.

NWBZ was explained as a division of Washington State Horseman, they no longer have a zone challenge but will be doing a show with zone challenge level classes in which each zone can create teams to compete. The open classes at the show will count towards their NWBZ points if they are members of WSH.

Trail Ride- Tabi looked into a location and talked to Cherie Geerdes and Back Country Horseman, Cherie was helpful about an idea of raffle prizes and a 50/50 raffle. Back Country Horseman were helpful about information about getting into a location and who to talk to about being able to put an organized ride on. Just need a date now so we can start asking about locations and if there is something else going on.

The meeting raffle was a glass bird bath and was won by Sue!

Next meeting will be April 9th at the Denny's in Arlington.

What's Happening?

Great items are getting raffled off at our general membership meetings such as blankets and spurs!

Thanks Starkenburg Shavings for your sponsorship and support for this year's show!

Briauna Kreider from Bow competed at WAHSET last weekend with her paint horse Cleared For Takeoff. Under the guidance of her coach Tabitha Whitford, Her and Roger placed 3rd in Hunt Seat, 1st in Trail, 1st in Working Rancher and 4th in Stock Seat and is well on her way To making the state team!

If anyone has news to share please contact Tabitha Whitford.
