July General Membership Meeting.

Meeting was at the BBQ at Marion's house in Snohomish, it was a lot of fun with good food and games. Thank you Marion for hosting.

Hospitality

Janne Blondin's (Hammer) husband past away, our thoughts are with the Hammer family.

Old Business

The show went well, we heard a lot of good comments and feedback about the show staff. We lost about \$320 which was a large improvement from last year's show. We still want to cut costs for next year.

New incentives for the show: we talked about wanting to push for yearlings and ranch classes which would add a couple hi points. Also to go 3 deep for hi points so more people get prizes. There is a new rule beginning next year that yearlings and 2 year olds cannot be shown before May 15th which would make our show the first opportunity for those to show. We talked about a yearling challenge and 2 year old classes, also keeping jackpot classes.

A good idea was brought up by a new member that we need incentives to join the club to build membership, and that members only discounts can be available for the show, making a benefit for members to go to the show.

We brought up online to have meetings on Tuesdays or Wednesdays from now on or to keep it on Saturdays.

Next Meeting to be discussed online for a date, Will be in Mt. Vernon.

What's Happening?

Great items are getting raffled off at our general membership meetings such as blankets and spurs!

*Meetings have now
been changed to
Wednesdays*

*If anyone has news to share
please contact Tabitha Whitford*

Jerri Stone has been emailing Tabi to discuss WSPHC taking over the permanent numbers. Lola had made the comment that money in the youth account benefits all youth for the Northwest, and Jerri had asked how youth would be able to apply for the scholarships. On our website it states that members can apply. Tabi will bring this up at our next meeting.
